The Protrack Showcase All Things Fleet 2022

Sponsored by

For several years The Protrack Group have hosted a “Protrack Showcase Event” to demonstrate to company owners, directors and fleet managers the very latest in technology to assist them with running and saving costs on their fleet. This year we are hosting the event at Gloucester Rugby and have a number of guest speakers all of which could assist you with any issues from hiring drivers to H&S and protecting your assets.

We would be delighted to welcome you to our event.

Please feel free to bring along anyone from your organisation that you feel would benefit from [The All Things Fleet Event 2022](#).
